**\$ 372,500**

**4 Bedrooms . 2 Bathrooms . 2,500 Sqft**

This Beautiful and spacious 2 story only blocks from elementary school and steps from neighborhood park and miles of walking trails! Tons of updates including crown molding, granite counters, custom fire pit patio, and more. With 1st floor laundry, separate dining area, and large rec room, you'll have all the room you need on the main level. Upstairs, the open floor plan has all 4 bedrooms, a private reading nook, and the master suite has vaulted ceiling and private bath including separate tub and shower. Amazing price per square foot value with 2500 square feet finished and more space in the basement!!
