Beautiful former parade home on a private lot that backs up to a large park - Verona schools! This home has had many updates, including a remodeled kitchen with high-end appliances, counters, and cabinetry, plus a beautifully updated master bath with walk-in shower and jetted tub. There is a delightfully bright and open feel throughout this home due to the vaulted ceilings, skylights, and numerous windows, plus plenty of additional living space in the finished lower level with a rec room, wet bar, full bath and sauna. Enjoy sunny days on the spacious deck overlooking the park - great for entertaining!
